

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 2, 2017

Mr. Nathan Brown
Assistant City Attorney
City of New Braunfels
550 Landa Street
New Braunfels, Texas 78130

OR2017-17362

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 668917 (CSO# 2017-258).

The City of New Braunfels (the "city") received a request for construction plans and specifications, including the drainage improvements, for a specified address.¹ You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

¹The city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

The city states, and provides documentation showing, a lawsuit styled *New Braunfels Housing Authority v. Texas Sterling Construction*, Cause No. 2016CVB-0238, brought by the city was pending in the County Court at Law No. 2 for Comal County, when the city received the instant request for information. You state the submitted information is related to the pending lawsuit. Based on your representations, the submitted documentation, and our review of the submitted information, we find litigation was pending when the city received this request for information, and the submitted information is related to the pending litigation for the purposes of section 552.103. Therefore, the city may withhold the submitted information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
