

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 2, 2017

Ms. Ileana Fernandez  
Assistant City Attorney  
City of Mesquite  
P.O. Box 850137  
Mesquite, Texas 75185-0137

OR2017-17366

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 668923.

The City of Mesquite (the "city") received a request for (1) serial number, make, model, caliber, and type of each firearm that has been reported or stolen, the address of the reported theft, the name of the reporting party, the incident report number for that stolen firearm, and the name of the reporting party for any firearm reported stolen within the city's jurisdiction after a specified date and (2) a spreadsheet containing information concerning every firearm seized, confiscated, recovered, found, turned in, or otherwise came under the control of the city's police department. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977)). A governmental body claiming section 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706. Section 552.108(b)(1) is intended to protect "information which, if released, would permit

private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State.” See *City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. See, e.g., Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. See, e.g., ORDs. 531 at 2–3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state the disclosure of the information at issue would interfere with law enforcement or prosecution of crime “by divulging firearm serial numbers that could be used on illegal firearms to commit crimes or be falsely used in missing weapons reports.” Based on your representation and our review, we agree the release of the information you marked would interfere with law enforcement. Accordingly, the city may withhold the information you marked under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
