

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 3, 2017

Mr. Robert Ray
Assistant City Attorney
City of Longview
P.O. Box 1952
Longview, Texas 75606

OR2017-17499

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 669540.

The City of Longview (the "city") received a request for information pertaining to specified types of police calls in a specified area during a specified time period. You state you have released some information. We understand you will redact information under section 552.147(b) of the Government Code.¹ You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. See Gov't Code § 552.147(b).

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a) of the Government Code exempts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you marked relates to an ongoing criminal investigation, and release of that information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information you marked. Therefore, you may withhold the information you marked under section 552.108(a)(1) of the Government Code.²

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130(a). We note the purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, motor vehicle record information that pertains solely to deceased individuals may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, *writ ref’d n.r.e.*); *see also* Attorney General Opinions JM-229 (1984), H-917 (1976); Open Records Decision No. 272

²As our ruling is dispositive, we need not address the city’s remaining arguments against disclosure of the information at issue.

(1981) (“the right of privacy is personal and lapses upon death”). Upon review, we find some of the motor vehicle record information at issue pertains to an individual who is deceased. Accordingly, with the exception of the information we have marked for release, the city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, pursuant to chapter 1701.661 of the Occupations Code, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. The city may withhold the information you marked under section 552.108(a)(1) of the Government Code. With the exception of the information we have marked for release, the city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
