Ms. Lizbeth Islas Plaster  
City Attorney  
City of Lewisville  
P.O. Box 299002  
Lewisville, Texas 75029-9002

OR2017-17509

Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 669228.

The City of Lewisville (the "city") received a request for information related to a specified incident.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

---

<sup>1</sup>We note the city received an initial request for the same information from this requestor on April 10, 2017. In response to the initial request, the city informs us it responded to the requestor within five business days, and withheld certain information under section 552.108(a)(1) of the Government Code, pursuant to the previous determination this office issued to the sheriff's office in Open Records Letter No. 2016-25470 (2016). Subsequently, the requestor made a second and third request for the same information on May 17, 2017, and May 23, 2017, respectively.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>2</sup> Gov’t Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). We note the submitted information reflects it was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the city. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. You do not indicate the city has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>3</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480(1987), 470 (1987).

<sup>3</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.
