ATTORNEY GENERAL OF TEXAS

Mr. Nathan T. Brown
Assistant City Attorney
City of New Braunfels
550 Landa Street
New Braunfels, Texas 78130

OR2017-17741

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 676005 (PD Control No. 2162-17 and CSO 2017-377).

The New Braunfels Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 552.101 encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part:

(b) Records of the identity, evaluation or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091. Upon review, we find the submitted information constitutes records of the identity, evaluation, or treatment of a patient by EMS personnel. Thus, with the exception of the information subject to section 773.091(g), the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
