Texas Department of Public Safety  
P.O. Box 4087

OR2017-17742

Dear Ms. Cost:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 669549 (PIR # 17-3567).

The Texas Department of Public Safety (the "department") received a request for information pertaining to the psychological evaluation of the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses section 1701.306 of the Occupations Code. This section makes confidential L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by the Texas Commission on Law Enforcement ("TCOLE"). Section 1701.306 provides, in part:

(a) [TCOLE] may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a), (b). Upon review, the department must withhold the submitted L-3 declaration form under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.

Section 552.101 of the Government Code also encompasses information made confidential by chapter 611 of the Health and Safety Code. Section 611.002 pertains to mental health records and provides, in pertinent part,

(a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.

(b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b); *see id.* § 611.001 (defining “patient” and “professional”). Section 611.001 defines a “professional” as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Sections 611.004 and 611.0045 provide for access to mental health records only by certain individuals. *See id.* §§ 611.004, .0045; *see also* Open Records Decision No. 565 (1990). Upon review, we find the remaining information consists of mental health records that are subject to chapter 611 of the Health and Safety Code. Accordingly, the department must withhold the remaining mental health records under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.<sup>1</sup>

---

<sup>1</sup>We note this ruling does not affect a patient’s right to access his or her mental health records from the professional who provided treatment under chapter 611 of the Health and Safety Code. *See* Health & Safety Code §§ 611.004, .0045; *cf. Abbott v. Tex. State Bd. of Pharmacy*, 391 S.W.3d 253 (Tex. App.—Austin 2012, no pet.) (Medical Practice Act, subtitle B of title 3 of the Occupations Code, does not provide patient general right of access to his or her medical records from governmental body responding to request for information under the Public Information Act).

In summary, the department must withhold the submitted L-3 declaration form under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code. The department must withhold the remaining mental health records under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
