Dear Mr. Wyatt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 669986 (Reference #86642).

The City of Colleyville (the "city"), which you represent, received a request for sales tax collections for a specified category of entity during a specified time period. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 321.3022 of the Tax Code, which provides in part:

(a-1) Except as otherwise provided by this section, the [Texas Comptroller of Public Accounts (the "comptroller")] on request shall provide to a municipality or other local governmental entity that has adopted a tax under [chapter 321 of the Tax Code]:

(1) information relating to the amount of tax paid to the municipality or other local governmental entity under [chapter 321 of the Tax Code] during the preceding or current calendar year by each person doing business in the municipality or other local governmental entity who annually remits to the comptroller state and local sales tax payments of more than \$5,000; and

(2) any other information as provided by this section.

...

(f) Information received by a municipality or other local governmental entity under this section is confidential, is not open to public inspection, and may be used only for the purpose of economic forecasting, for internal auditing of a tax paid to the municipality or other local governmental entity under [chapter 321 of the Tax Code], or for the purpose described in Subsection (g).

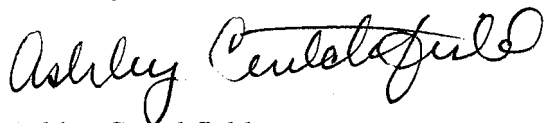

(g) Information received by a municipality or other local governmental entity under Subsection (b) may be used by the municipality or other local governmental entity to assist in determining revenue sharing under a revenue sharing agreement or other similar agreement.

Tax Code § 321.3022(a-1), (f)-(g). The city states the information contained in Exhibit B is tax information obtained from the comptroller pursuant to section 321.3022(a-1). We have no indication the information at issue is being sought for economic forecasting, to conduct an internal audit, or on behalf of the city to determine revenue sharing under a revenue sharing agreement. Based on the submitted representations and our review, we find Exhibit B is confidential under section 321.3022(f) of the Tax Code, and the city must withhold it under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
