Ms. Ana Vieira Ayala
Assistant General Counsel & Public Information Coordinator
Office of General Counsel
The University of Texas System

OR2017-18148

Dear Ms. Ayala:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 670500 (OGC# 175690).

The University of Texas at San Antonio (the "university") received a request for all records pertaining to a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

¹We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(e)(1). Section 51.971 defines a compliance program as “a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies[.]” *Id.* § 51.971(a)(1). You inform us the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the submitted information pertains to an ongoing compliance investigation conducted by the university’s Office of Equal Opportunity Services and the university’s Office of Institutional Compliance and Risk Services relating to allegations of misconduct by university employees. Further, you state the matters under investigation pertain to ethical questions and standards of conduct of university employees. Based on your representations and our review, we agree the submitted information pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You also represent release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
