Dear Ms. Edwards:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 670463 (Case File # 1500031789).

The Sulphur Springs Police Department (the "department") received a request for photographs depicting a named individual and witness information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor seeks only the photographs of a named individual involved in the specified incident and witness information. Thus, the photographs that do not depict the named individual are not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request, and the department is not required to release that information in response to the request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹We note the department did not comply with the requirements of section 552.301(e) of the Government Code in providing some of the information at issue. *See* Gov't Code § 552.301(e). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider their applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which provides, in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Section 58.007(c) is applicable to law enforcement records of juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather the juvenile must be involved as a suspect, offender, or defendant. *See id.* § 58.007(c). Upon review, we find the submitted information does not involve a juvenile identified as a suspect, offender, or defendant. Therefore, we find that you have failed to demonstrate the applicability of section 58.007 to the submitted information, and it may not be withheld under section 552.101 on this basis.

Section 552.101 of the Government Code also encompasses section 730.004 of the Transportation Code, which provides, “[n]otwithstanding any other provision of law to the contrary, including chapter 552, Government Code, except as provided by sections 730.005-730.007, an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record.” Transp. Code § 730.004. Section 730.004 applies only to an “agency” that compiles or maintains motor vehicle records. *See id.* § 730.003(1). You have not established the department is an agency for purposes of chapter 730 that compiles or maintains motor vehicle records. Accordingly, the information at issue may not be withheld under section 552.101 of the Government Code in conjunction with section 730.004 of the Transportation Code.

Section 552.101 also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). Here, the requestor is a person listed under section 550.065(c). Thus, the department must release the accident report to the requestor pursuant to section 550.065(c). As you raise no other exceptions, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
