OR2017-18600

Dear Ms. Goetz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 670865.

The McAllen Independent School District (the "district"), which you represent, received two requests from the same requestor for information pertaining to a specified incident and fifteen categories of information, including communications sent to and received from named individuals, documents created by named individuals, social media accounts pertaining to named individuals, and information pertaining to specified topics and announcements. You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim.

We must address the procedural obligations of the district under the Act. Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving the request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). You inform us the district received the requests on May 25, 2017. However, as of the date of this letter, you have not submitted to this office a copy or representative sample of the

information requested or arguments explaining why the stated exception applies. Consequently, we find the district failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises an exception to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
