Dear Mr. Balaman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 671481.

Harmony Public Schools ("Harmony") received a request for a specified bid tabulation. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code for the submitted information, which excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). You represent the submitted information pertains to a competitive bidding situation. You state Harmony solicits bids for similar services on a recurring basis and would harm its ability to secure contracts related to the provision of online assessment and intervention services the school is obligated to provide. After review of the information at issue and consideration of the arguments, we find Harmony has established the release of the submitted information would give an advantage to a competitor or bidder. Thus, we conclude Harmony may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
