OR2017-18686

Dear Mr. Safi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 671438 (EPISD ORR # W000276-052217).

The El Paso Independent School District (the "district"), which you represent, received a request for a list of phone calls of a named employee within a range of dates.¹ You claim the submitted information is either not subject to the Act or is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the submitted arguments and reviewed the submitted representative sample of information.²

¹We note the district sought and received clarification of the information requested. *See* Gov't Code § 552.222(b) (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note some of the submitted information is not responsive to the present request because it does not pertain to any of the information requested by the requestor. This ruling does not address the public availability of the non-responsive information, which we have marked, and the district need not release it in response to this request.

Next, the district contends some of the submitted information is not subject to the Act. The Act is applicable only to "public information." *See* Gov't Code §§ 552.002, .021. Section 552.002(a) defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). Information is "in connection with the transaction of official business" if it is "created by, transmitted to, received by, or maintained by an officer or employee of the governmental body in the officer's or employee's official capacity, or a person or entity performing official business or a government function on behalf of a governmental body, and pertains to official business of the governmental body." *Id.* § 552.002(a-1). Thus, virtually all the information in a governmental body's physical possession constitutes public information and is subject to the Act. *Id.*; *see* Open Records Decision Nos. 549 at 4 (1990), 514 at 1-2 (1988).

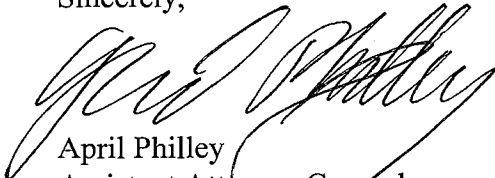

You inform us the telephone numbers you have marked consist of telephone numbers relating to personal calls not connected to the transaction of official business of the district. *See* Open Records Decision No. 635 (1995) (statutory predecessor not applicable to personal information unrelated to official business and created or maintained by state employee involving *de minimis* use of state resources). Based on your representations and our review of the information at issue, we agree the information you have marked does not constitute "information that is written, produced, collected, assembled, or maintained under a law or

ordinance or in connection with the transaction of official business” by or for the district. *See* Gov’t Code § 552.002. Therefore, we conclude the information you have marked is not subject to the Act and need not be released in response to the present request for information.³ The district must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

April Philley
Assistant Attorney General
