

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 18, 2017

Ms. Michelle L. Villarreal
Deputy City Attorney
City of League City
300 West Walker Street
League City, Texas 77573

OR2017-18826

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672080 (PIR# 7695).

The City of League City (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent

¹We note the city failed to comply with the procedural requirements of section 552.301(b) of the Government Code by failing to meet its 10-business-day deadline. *See* Gov't Code § 552.301(b) (requiring a governmental body to ask for the attorney general's decision and to state the exceptions that apply within ten business days of receiving the written request). Nonetheless, the applicability of section 552.101 of the Government Code can constitute a compelling reason sufficient to overcome the presumption of openness caused by the failure to comply with section 552.301. *See id.* §§ 552.007, .302. Therefore, we will address the city's assertion under this exception.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation conducted under chapter 261 of the Family Code, so as to fall within the scope of section 261.201(a). *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201 of Family Code). You have not indicated the city has adopted a rule governing the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, the submitted information is confidential under section 261.201(a) of the Family Code, and the city must withhold it under section 552.101 of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

April Philley
Assistant Attorney General

³As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.
