Dear Ms. Abel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 671828.

The Texas Board of Nursing (the "board") received a request for information pertaining to a specified proposal. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the interests of St. Philip's College. Accordingly, you state, and provide documentation showing, you notified St. Philip's College of the request and of its right to submit arguments to this office. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released). As of the date of this letter, we have not received comments from St. Philip's College explaining why the submitted information should not be released. We have reviewed the submitted information. As no exceptions to disclosure have been raised for this information, it must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
