

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 23, 2017

Mr. Zachary Brown
Assistant City Attorney
Law Department
City of Austin
P.O. Box 1088
Austin, Texas 78767-8828

OR2017-19186

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672402 (Austin ORR#06-12329).

The Austin Police Department (the "department") received a request for information related to a specified incident.¹ You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the raised argument and reviewed the submitted representative sample of information.²

¹We note the department received an initial request for the same information from this requestor on December 16, 2016. In response to the initial request, the department informs us it responded to the requestor within five business days, and withheld certain information under section 552.108(a)(1) of the Government Code, pursuant to the previous determination this office issued to the department in Open Records Letter No. 2016-10001 (2016). Subsequently, the requestor made a second request for the same information on June 13, 2017.

²This letter ruling assumes the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize the withholding of, any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499, at 6 (1988), 497 at 4 (1988).

Initially, we note a portion of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal prosecution. Based on this representation, we conclude section 552.108(a)(1) is generally applicable to the information at issue. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, as you acknowledge, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”³ Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the department must withhold the public citizen’s date of birth we have marked in the DIC-24 and DIC-25 forms under section 552.101 of the Government Code in conjunction with common-law privacy.

The DIC-24 and DIC-25 forms also contain information subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a)(1). The department must withhold the information we have marked under section 552.130 of the Government Code.

In summary, the department must release the accident report in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 and DIC-25 forms, the department must withhold the public citizen’s date of birth we have marked under section 552.101 of the Government Code and the motor vehicle information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
