

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 23, 2017

Mr. Phillip J. Smith
Assistant District Attorney
Smith County
100 North Broadway 4th Floor
Tyler, Texas 75702

OR2017-19288

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672479.

Smith County (the "county") received a request for jail records, observation logs, video camera footage, an autopsy report, and an investigation report pertaining to a named individual. You state the county does not possess some of the requested information.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us the submitted

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990).

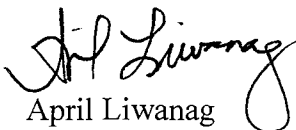

information pertains to an active law enforcement investigation being conducted by the Texas Rangers Division of the Texas Department of Public Safety (the "Texas Rangers"), and release of the submitted information would interfere with the investigation of the case. You also state the Texas Rangers has advised the release of the information at issue would interfere with the investigation of crime. Based upon these representations and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187. See also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, which must be released, the county may withhold the submitted information on behalf of the Texas Rangers under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
