ATTORNEY GENERAL OF TEXAS

August 25, 2017

Mr. John Saenz
Crime Records Office
McAllen Police Department
P.O. Box 220
McAllen, Texas 78501

OR2017-19448

Dear Mr. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672756.

The McAllen Police Department (the "department") received a request for information pertaining to a specified arrest. The department claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that "[o]n the request of a person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." *See* Transp. Code § 724.018. The requestor is the individual who submitted the specimen. Although you claim the information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Therefore, the department must release the breath test results at issue pursuant to section 724.018 of the Transportation Code.

The department asserts the remaining information is excepted from disclosure under section 552.108(a)(2) of the Government Code, which excepts from disclosure information

concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The department states the remaining information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

To conclude, the department must release the submitted breath test results pursuant to section 724.018 of the Transportation Code. With the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
