ATTORNEY GENERAL OF TEXAS

August 28, 2017

Mr. Isidro R. Alaniz
District Attorney
49th Judicial District
County of Webb
P.O. Box 1343
Laredo, Texas 78042-1343

OR2017-19563

Dear Mr. Alaniz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 679368.

The Webb County District Attorney's Office (the "district attorney's office") received a request for trial transcripts pertaining to two specified cases. You assert the district attorney's office need not comply with the request to release the requested information pursuant to section 552.028 of the Government Code. In the alternative, you claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

(1) an individual who is imprisoned or confined in a correctional facility; or

(2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028(a)-(b). You state the requestor is an inmate confined in a correctional facility. *See id.* § 552.028(c) ("correctional facility" is a place for the confinement of a person arrested for, charged with, or convicted of a criminal offense). Thus, we agree the district attorney's office need not comply with the request for information from the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Britni Ramirez
