ATTORNEY GENERAL OF TEXAS

Ms. Molly Cost
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087

OR2017-19674

Dear Ms. Cost:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 673236 (PIR No. 17-3816).

The Texas Department of Public Safety (the "department") received a request for eight categories of information pertaining to License To Carry instructors, failure rates, license revocations, and copies of accidental discharge reports filed with the department in the past three years.¹ You state the department has released some information. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.152 of the Government Code provides:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

¹You state the department sought and received clarification of the request. See Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

Gov't Code § 552.152.² The department represents the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identities of the undercover officers within the information at issue. Accordingly, the department must withhold the identifying information of the undercover officers, which it marked, under section 552.152 of the Government Code.³ The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. ³As our ruling is dispositive, we need not address your argument against disclosure.
