Mr. Whitt L. Wyatt
Counsel for the City of Colleyville

Dear Mr. Wyatt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 674201 (City Ref. No. 87689).

The City of Colleyville (the "city"), which you represent, received a request for a specified financial report. You claim some of the submitted information is excepted from disclosure under section 552.117 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code. *See* Gov't Code § 552.117(a)(1). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. The city informs us, and provides documentation showing, the employee at issue timely elected confidentiality under section 552.024. Therefore, the city must withhold the information you marked, and the additional information we marked, under

section 552.117(a)(1) of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
