ATTORNEY GENERAL OF TEXAS

Ms. Ann-Marie Sheely  
Assistant County Attorney  
County of Travis  
P.O. Box 1748  
Austin, Texas 78767

OR2017-20771

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 675185 (PIR 509282-1).

The Travis County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified case number. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.<sup>1</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 414 at 4-5 (1987)*. Where a governmental body has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. The sheriff's office states the submitted information relates to a pending criminal case by the Metro Police Department (the "department") in Washington, D.C. Further, the sheriff's office states the department objects to release of the submitted information because doing so would interfere with its ongoing investigation. Based on these representations and our review, we conclude section 552.108(a)(1) of the Government Code is applicable to the information at issue. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note that section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the department.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
