

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 13, 2017

Mr. Justin Pruitt
Assistant City Attorney
City of Lubbock
P. O. Box 2000
Lubbock, Texas 79457

OR2017-20986

Dear Mr. Pruitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 682409 (Lubbock File No. 1692).

The City of Lubbock (the "city") received a request for body camera footage pertaining to a specified incident. The city states the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered your argument and reviewed the submitted information.

Generally, the Act authorizes the Office of the Attorney General to render decisions and opinions in two situations. The first occurs when a governmental body receives a written request for information from an individual or entity acting as a member of the public and requests a ruling from this office because the governmental body wishes to withhold responsive information in accordance with one of the Act's exceptions to disclosure. *See* Gov't Code §§ 552.301, .306. The second situation occurs when this office issues "materials, including detailed and comprehensive written decisions and opinions, that relate to or are based on [the Act]" in order to "maintain uniformity in the application, operation, and interpretation of [the Act.]" *Id.* § 552.011.

¹Although you generally raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

We note the submitted information consists of a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a "failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information." *Id.* § 1701.661(b). We therefore consider this matter closed. If you have any questions with regard to this letter, please refer to ID# 682409.

Sincerely,

Jesse Harvey
