Mr. Rex White

City Administrators  
City of Grand Saline

Grand Saline, Texas 75140

OR2017-20989

Dear Mr. White and Mr. Davidson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 675386.

The City of Grand Saline (the "city") received a request for information pertaining to phone calls and text messages made to and from specified phone numbers during a specified time. You take no position as to whether the requested information is excepted under the Act. We have considered your request for a ruling.

We must address the city's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). You state the city received the request for information on July 10, 2017. However, as of the date of this letter, you have not submitted for our review a copy or representative sample of the information

requested. Accordingly, we find the city failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
