Mr. Oscar G. Gabaldón, Jr.  
Assistant City Attorney  
City of El Paso  
P.O. Box 1890

OR2017-21045

Dear Mr. Gabaldón:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 677995 (ORR# 17-1026-8658).

The El Paso Police Department (the “department”) received a request for audio and video recordings of a specified location during a specified time period. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception the department claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude release of the information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531

---

<sup>1</sup>Although the department also raises section 552.101 of the Government Code in conjunction with common-law privacy and constitutional privacy for the submitted information, the department provides no arguments explaining how these doctrines apply to the information at issue. Therefore, we assume the department no longer assert these doctrines. *See Gov’t Code* §§ 552.301, .302.

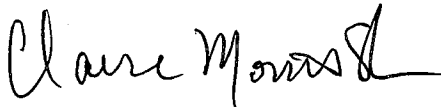

S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

We note the requestor is an investigator with El Paso County. Accordingly, the department has the discretion to release the information pursuant to an intergovernmental transfer. This office has concluded information subject to the Act may be transferred between governmental bodies without waiving exceptions to the public disclosure of that information. *See* Attorney General Opinion JM-590 (1986); Open Records Decision Nos. 655 (1997), 567 (1990), 561 (1990), 516 (1989). These decisions are based on the well-settled policy of this state that governmental agencies should cooperate with each other in the interest of the efficient and economical administration of their statutory duties. *See* ORD 516. Thus, pursuant to the intergovernmental transfer doctrine, the department has the discretion to release the submitted information that is subject to section 552.108 to this requestor. However, should the department choose not to exercise its discretion under the interagency transfer doctrine, then the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. Furthermore, release of information pursuant to an intergovernmental transfer does not constitute a release of information to the public for purposes of section 552.007 of the Act. *See, e.g.*, Attorney General Opinion Nos. H-917 at 1 (1976), H-242 (1974); *see also* Gov't Code §§ 552.007, .352. Thus, the department does not waive its interest in withholding this information by exercising its discretion under the interagency transfer doctrine.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
