<sup>1</sup>Open Records Letter No. 2016-08169 authorized the department to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision.

<sup>2</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Decision No. 684 serves as a previous determination to all governmental bodies authorizing them to withhold certain categories of information without the necessity of requesting an attorney general decision. *See* ORD 684.

submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information consists of a recording from a department officer’s body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. We understand the submitted recording was required to be made by law or the policies of the department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recording at issue is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

*Id.* § 1701.661(f). You state the submitted information consists of a body worn camera recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state you do not have permission for

release from all of the subjects in the recording at issue. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.
