ATTORNEY GENERAL OF TEXAS

September 25, 2017

Mr. Cristian Rosas-Grillet
Assistant City Attorney
City of Laredo
P.O. Box 579
Laredo, Texas 78042-0579

OR2017-21907

Dear Mr. Rosas-Grillet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 676885 (Reference No. W007689-061217).

The City of Laredo (the "city") received a request for information pertaining to a specified solicitation.¹ You state you have released some information. You state you will redact information pursuant to section 552.136(c) of the Government Code.² Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of David H. Cruz, M.D. P.A. ("Mr. Cruz"). Accordingly, you state, and provide documentation showing, you notified the interested third party of the request for information and of his right to submit arguments to

¹We note, and you acknowledge, the city failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, third party interests can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* § 552.302. Thus, we will consider whether the submitted information is excepted from disclosure under the Act, notwithstanding the city's violation of section 552.301 in requesting this decision.

²Section 552.136 of the Government Code permits a governmental body to withhold the information described in section 552.136(b) without the necessity of seeking a decision from this office. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

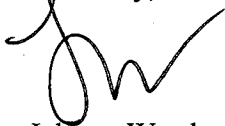

this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Mr. Cruz explaining why the submitted information should not be released. Therefore, we have no basis to conclude Mr. Cruz has protected proprietary interests in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any portion of the submitted information on the basis of any proprietary interest Mr. Cruz may have in the information. Therefore, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
