Dallas Area Rapid Transit

OR2017-22070

Dear Ms. Anderson Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 677581 (DART ORR# W001813-071117, W001813-071117).

Dallas Area Rapid Transit ("DART") received two requests from the same requestor for a specified report. You state DART released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 452.061 of the Transportation Code. DART is a regional transportation authority governed by chapter 452 of the Transportation Code. *See* Transp. Code ch. 452; *see also id.* § 452.001(1) (defining "authority" for purposes of chapter 452 of the Transportation Code). Section 452.061 of the Transportation Code provides in relevant part:

(e) Personal identifying information collected by an authority is confidential and not subject to disclosure under Chapter 552, Government Code, including a person's:

(1) name, address, e-mail address, and phone number;

(2) account number, password, payment transaction activity, toll or charge record, or credit, debit, or other payment card number; and

(3) other personal financial information.

*Id.* § 452.061(e). You assert some of the submitted information consists of personal identifying information made confidential by section 452.061(e). We note subsection 452.061(e) is contained in section 452.061, which is titled “Fares and Other Charges.” Additionally, subsections (a) through (d) of section 452.061 discuss an authority’s responsibilities in imposing fares and other charges and the state’s power to regulate taxes imposed by an authority or other compensation authorized by this section. *See id.* § 452.061(a)–(d). Accordingly, we conclude section 452.061(e) is only applicable to personal identifying information collected by DART for purposes relating to the collection of fares and other charges. *Cf. Paxton v. Tex. Dep’t of State Health Servs.*, 500 S.W.3d 702, 706 (Tex. App.—Austin 2016, no pet.) (holding although isolated reading of section 531.1021(g) of Government Code suggests it applies to any Office of Inspector General (“OIG”) investigation, confidentiality of OIG investigations provided by section 531.1021(g) must be read in context of OIG’s enabling provisions and thus, extended only to OIG investigations concerning fraud, waste, and abuse in the provision and delivery of health and human services in the state). Upon review, we find DART did not collect the personal identifying information at issue for purposes relating to the collection of fares and other charges. Consequently, the personal identifying information at issue is not confidential under section 452.061(e) of the Transportation Code, and may not be withheld under section 552.101 of the Government Code on that basis. DART must release the submitted information.<sup>1</sup>

DART also asks this office to issue a previous determination that would authorize it to withhold personal identifying information collected by DART under section 552.101 of the Government Code in conjunction with section 452.061 of the Transportation Code. In the alternative, DART asks this office to issue a previous determination that would authorize it to release personal identifying information collected by DART. We decline to issue such a previous determination with respect to either request at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup>We note the requestor has a special right of access to some of the information being released. Gov’t Code § 552.023. Accordingly, if DART receives another request for this same information from a different requestor, DART must again seek a ruling from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
