

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

September 27, 2017

Mr. Oscar G. Gabaldón, Jr.  
Assistant City Attorney  
City of El Paso  
P.O. Box 1890  
El Paso, Texas 79950-1890

OR2017-22136

Dear Mr. Gabaldón:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 679598 (ORR# 17-1026-8702).

The City of El Paso (the "city") received a request for all reports pertaining to a named individual. The city states it will release some of the requested information. *See* Gov't Code § 552.023(a) ("person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

- (a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The city asserts the submitted information consists of child abuse records that are confidential under section 261.201. Based on the city's representations and our review, we agree the submitted information was used or developed in investigations of alleged or suspected child abuse or neglect conducted by the city's police department (the "department"). *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The city does not indicate the department has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).
