ATTORNEY GENERAL OF TEXAS

September 29, 2017

Mr. Andrew Wipke  
Assistant District Attorney  
Lubbock County  
P.O. Box 10536  
Lubbock, Texas 79408-3536

OR2017-22374

Dear Mr. Wipke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 678508 (ORR# 422).

The Lubbock County District Attorney's Office (the "district attorney's office") received a request for the current inmate phone contract held with ICSolutions ("ICS"). Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of ICS. Accordingly, you state, and provide documentation showing, you notified this third party of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from the third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude the third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district

attorney's office may not withhold the submitted information on the basis of any proprietary interest the third party may have in the information.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."<sup>1</sup> Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Accordingly, the district attorney's office must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Emily Buchanan  
Attorney
