ATTORNEY GENERAL OF TEXAS

October 3, 2017

Mr. Jason Cozza  
City Secretary  
City of Hallettsville  
101 North Main  
Hallettsville, Texas 77964-2727

OR2017-22490

Dear Mr. Cozza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 678048.

The City of Hallettsville (the "city") received a request for six categories of information pertaining to Texas Disposal Systems ("TDS").<sup>1</sup> You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. You also state release of this information may implicate the proprietary interests of TDS. Accordingly, you state, you notified TDS of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of

<sup>1</sup>We note the city asked for and received clarification regarding this request. *See* Gov't Code § 552.222(b) (governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

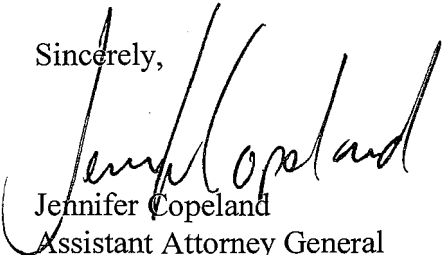

exception in the Act in certain circumstances). We have considered the submitted argument and reviewed the submitted information.

Although the city argues the submitted information is excepted under section 552.110 of the Government Code, that exception is designed to protect the interests of third parties, not the interests of a governmental body. *See* Gov't Code § 552.110 (excepts from disclosure trade secret or commercial or financial information obtained from third party). Thus, we do not address the city's argument under section 552.110. We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from TDS explaining why its information should not be released. Therefore, we have no basis to conclude TDS has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the information at issue on the basis of any proprietary interest TDS may have in it. As no further exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
