ATTORNEY GENERAL OF TEXAS

October 4, 2017

Mr. Peter G. Smith  
City Attorney  
City of Richardson  
P.O. Box 831078  
Richardson, Texas 75083-1078

OR2014-22631

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684467 (Richardson File # 17-736).

The City of Richardson (the "city") received a request for information pertaining to a specified incident. You indicate the city released the CR-3 crash report to the requestor pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). You indicate the city will redact information pursuant to the previous determination issued to the city in Open Records Letter No. 2017-00069 (2017).<sup>1</sup> You argue some of the submitted information was not properly requested pursuant to chapter 1701 of the Occupations Code. Further, you claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered your arguments and reviewed the submitted information.

<sup>1</sup>Open Records Letter No. 2017-00069 is a previous determination issued to the city's police department authorizing the department to withhold dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

The submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a "failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information." *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>2</sup> Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision No. 600 (1992) (personal financial information includes choice of a particular insurance carrier). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the city must withhold the

information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.<sup>3</sup>

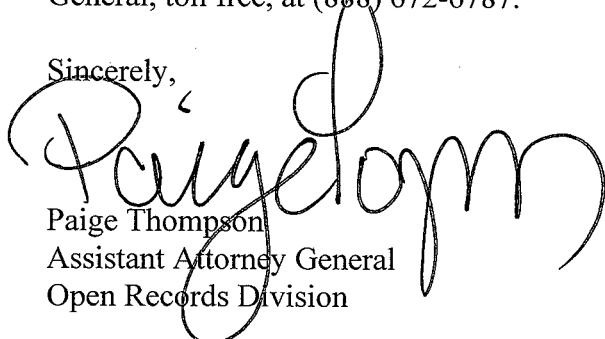

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

In summary, pursuant to section 1701.661 of the Occupations Code, the submitted body camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code and need not be released to this requestor in response to this request for information. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy and the motor vehicle record information it marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
