Ms. Ylise Janssen
General Counsel
Austin Independent School District

Austin, Texas 78703

OR2017-22709

Dear Ms. Janssen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685106.

The Austin Independent School District (the "district") received three requests from different requestors for specified information pertaining to a named former employee. You indicate the district has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word "teacher" means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in

the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Further, in Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You contend the submitted information consist of confidential evaluations of an administrator by the district. You inform us the named administrator at issue was certified as an administrator by the State Board of Educator Certification and was acting as an administrator at the time the evaluations were prepared. Upon review, we find the submitted information consists of evaluations of an administrator by the district. Accordingly, the district must withhold the submitted information we marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
