Ms. Sue Jana
Assistant Criminal District Attorney
Civil Section
Bexar County
101 West Nueva Street, Seventh Floor
San Antonio, Texas 78205

OR2017-22727

Dear Ms. Jana:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684635.

The Bexar County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1).

Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information includes a CR-3 accident report form. Here, the requestor is a person listed under section 550.065(c). Although the sheriff's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the sheriff's office may not withhold the information under section 552.108 of the Government Code. Thus, the sheriff's office must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

Next, we note some of the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). The remaining information contains court-filed documents, which we have marked, that are subject to section 552.022(a)(17) and must be released unless they are made confidential under the Act or other law. *See id.* The sheriff's office seeks to withhold the information subject to section 552.022(a)(17) under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the submitted court-filed documents may not be withheld under section 552.108 of the Government Code. However, portions of the court-filed documents are subject to section 552.130 of the Government Code.¹ As section 552.130 makes information confidential under the Act, we will consider the applicability of this exception

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

to the court-filed documents. We will also consider the argument under section 552.108 for the information not subject to section 552.022 of the Government Code.

Section 552.108 of the Government Code provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution[.]

Gov't Code § 552.108(a)(1), (b)(1). A governmental body claiming section 552.108(a)(1) or 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to an ongoing criminal prosecution. We note the remaining information includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. Because copies of these forms were provided to the arrestee, we find the sheriff's office has not demonstrated release of the DIC-24 and DIC-25 forms will interfere with the detection, investigation, or prosecution of crime. Further, the sheriff's office has not demonstrated release of the DIC-24 and DIC-25 forms would interfere with law enforcement or prosecution. Accordingly, we conclude the DIC-24 and DIC-25 forms may not be withheld under section 552.108(a)(1) or section 552.108(b)(1). However, based on the submitted representations and our review, we conclude the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information at issue.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open

Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the information subject to section 552.022(a)(17) of the Government Code, the DIC-24 and DIC-25 forms, and basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the submitted motor vehicle record information under section 552.130 of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). In releasing the DIC-24 and DIC-25 forms, the sheriff's office must withhold the public citizen's date of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, the sheriff's office must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the information subject to section 552.022(a)(17) of the Government Code, the DIC-24 and DIC-25 forms, and basic information, which must be released, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code. The sheriff's office must withhold the submitted motor vehicle record information under section 552.130 of the Government Code. In releasing the DIC-24 and DIC-25 forms, the sheriff's office must withhold the public citizen's date of birth under section 552.101 of the Government Code in conjunction with common-law privacy.
