Dear Mr. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 678402.

The City of McAllen (the "city") received a request for information pertaining to a specified incident. You state you have released some information to the requestor, including the CR-3 accident report pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the submitted video recordings contain confidential motor vehicle record information. In this instance, you state the city does not possess the technological capability to redact information from video files. Thus, we agree the city must withhold the submitted video recordings in

their entireties under section 552.130 of the Government Code.¹ *See* Open Records Decision No. 364 (1983).
