OR2017-22991

Dear Ms. Anderson-Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 682498 (ORR# W001942-082217).

Dallas Area Rapid Transit ("DART") received a request for information pertaining to a specified accident.¹ DART states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including section 452.061, which provides, in relevant part:

¹DART sought and received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

(e) Personal identifying information collected by an authority is confidential and not subject to disclosure under [the Act], including a person's:

- (1) name, address, e-mail address, and phone number;
- (2) account number, password, payment transaction activity, toll or charge record, or credit, debit, or other payment card number; and
- (3) other personal financial information.

Transp. Code § 452.061(e). We understand DART is a regional transportation authority governed by chapter 452 of the Transportation Code. *See id.* ch. 452; *see also id.* § 452.001(1) (defining “authority” for purposes of chapter 452 of the Transportation Code). We note subsection 452.061(e) is contained in section 452.061, which is titled “Fares and Other Charges.” Additionally, subsections (a) through (d) of section 452.061 discuss an authority’s responsibilities in imposing fares and other charges and the state’s power to regulate taxes imposed by an authority or other compensation authorized by this section. *See id.* § 452.061(a)–(d). Accordingly, we conclude section 452.061(e) is only applicable to personal identifying information collected by DART for purposes relating to the collection of fares and other charges. *Cf. Paxton v. Tex. Dep’t of State Health Servs.*, 500 S.W.3d 702, 706 (Tex. App.—Austin 2016, no pet.) (holding although isolated reading of section 531.1021(g) of Government Code suggests it applies to any Office of Inspector General (“OIG”) investigation, confidentiality of OIG investigations provided by section 531.1021(g) must be read in context of OIG’s enabling provisions and, thus, extended only to OIG investigations concerning fraud, waste, and abuse in provision and delivery of health and human services in state). Upon review, we find DART did not collect the personal identifying information of the individuals at issue for purposes relating to the collection of fares and other charges. Consequently, the individuals’ personal identifying information is not confidential under section 452.061(e) of the Transportation Code, and DART may not withhold it under section 552.101 of the Government Code on that basis. Therefore, DART must release the submitted information.²

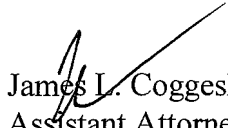

DART also asks this office to issue a previous determination that would authorize it to withhold personal identifying information collected by DART under section 552.101 of the Government Code in conjunction with section 452.061 of the Transportation Code. In the alternative, DART asks this office to issue a previous determination that would authorize it to release personal identifying information collected by DART. We decline to issue such a previous determination with respect to either request at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts

²Because the requestor has a special right of access to some of the information being released, DART must again seek a decision from this office if it receives another request for the same information from another requestor.

as presented to us. Therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

James L. Coggeshall
