ATTORNEY GENERAL OF TEXAS

October 10, 2017

Mr. Matthew Cherry
Attorney
Texas Alcoholic Beverage Commission
P.O. Box 13127
Austin, Texas 78711-3127

OR2017-23030

Dear Mr. Cherry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 681436 (TABC Ref. No. 244514058).

The Texas Alcoholic Beverage Commission (the "commission") received a request for all information concerning the commission's investigation into a named permit holder.¹ You claim the information is excepted from disclosure under sections 552.101, 552.103, 552.107, and 552.108 of the Government Code. We have considered your arguments.

We must address the commission's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You state the commission received the request for information on August 1, 2017. As of this date, you have not submitted to this office written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, a copy of the

written request for information, or a copy or representative sample of the information requested. Accordingly, we conclude the commission failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the commission raises exceptions to disclosure, because you have not submitted any information for review, we have no basis for finding any information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
