Dear Mr. Miles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 679927 (HHSC Reference No. 13194).

The Texas Health and Human Services Commission (the "commission") received a request for information pertaining to a named location over a specified period of time. You state the commission released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.107 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 531.1021 of the Government Code, which provides, in relevant part:

(g) All information and materials subpoenaed or compiled by the [commission's Office of the Inspector General ("OIG")] in connection with an audit, inspection, or investigation or by the office of the attorney general in connection with a Medicaid fraud investigation are confidential and not subject to disclosure under [the Act], and not subject to disclosure, discovery,

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

subpoena, or other means of legal compulsion for their release to anyone other than the [OIG] or the attorney general or their employees or agents involved in the audit, inspection, or investigation conducted by the [OIG] or the attorney general, except that this information may be disclosed to the state auditor's office, law enforcement agencies, and other entities as permitted by other law.

(h) A person who receives information under Subsection (g) may disclose the information only in accordance with Subsection (g) and in a manner that is consistent with the authorized purpose for which the person first received the information.

Act of May 19, 2017, 85th Leg., R.S., H.B. 2379, § 2 (to be codified at Gov't Code § 531.1021(g)); Gov't Code § 531.1021(h). You state the submitted information was compiled by the OIG in connection with an investigation concerning alleged Medicaid and other health and human services fraud and abuse. Based on your representation and our review, we find the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code.²
