

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 13, 2017

Mr. J.R. Harris
Assistant County Attorney
Harris County Attorney's Office
1019 Congress, 15th Floor
Houston, Texas 77002

OR2017-23385

Dear Mr. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 680056 (C. A. File No. 17PIA0436).

The Harris County Attorney's Office (the "county attorney's office") received a request for information pertaining to a specified news story.¹ You claim the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code. We have considered the exceptions you claim.

We must address the county attorney's office's obligations under the Act. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301 (e). The county attorney's office received the request for information on July 25, 2017. Thus, the county attorney's office's fifteen-business-day deadline was August 15, 2017. However, as of the

¹We take this description from your brief, as you have failed to submit a copy of the request for information.

date of this request, you have failed to submit written comments explaining why your claimed exceptions apply, a copy of the written request for information, and a copy of the specific information requested. Consequently, we find the county attorney's office failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the county attorney's office raises sections 552.101 through 552.154 of the Government Code as exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Jennifer Cope and
