OR2017-23412

Dear Mr. Safi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 682035 (ORR W000480-080717).

The El Paso Independent School District (the "district"), which you represent, received a request for all e-mails and texts between two named individuals and school board trustees during a specified time period. You state you will release some information. You claim some of the submitted information is not subject to the Act. In the alternative, you claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered your arguments and reviewed the submitted representative sample of information.¹

The district contends some of the submitted information is not subject to the Act. The Act is applicable only to "public information." *See* Gov't Code §§ 552.002, .021. Section 552.002(a) defines "public information" as information that is written, produced,

¹We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). Information is “in connection with the transaction of official business” if it is “created by, transmitted to, received by, or maintained by an officer or employee of the governmental body in the officer's or employee's official capacity, or a person or entity performing official business or a government function on behalf of a governmental body, and pertains to official business of the governmental body.” *Id.* § 552.002(a-1). Thus, virtually all the information in a governmental body's physical possession constitutes public information and is subject to the Act. *Id.*; see Open Records Decision Nos. 549 at 4 (1990), 514 at 1-2 (1988).

You contend the information you marked is not public information as defined by section 552.002. You assert the communications at issue are purely personal in nature and do not relate to district business. Based on your representations and our review, we find the information you marked does not constitute public information for purposes of section 552.002 of the Government Code. *Cf.* Open Records Decision No. 635 at 7 (1995) (section 552.002 not applicable to personal information unrelated to official business and created or maintained by state employee involving *de minimis* use of state resources). Therefore, this information is not subject to the Act and need not be released to the requestor.² The district must release the remaining information.

²As our ruling for this information is dispositive, we need not address your remaining arguments against its disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
