Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 680043.

VIA Metropolitan Transit (the "VIA") received a request for video recordings from a specified bus during a specified time period. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recording contains information subject to section 552.130. You state VIA does not have the technological capability to redact the motor vehicle record information from the video recording at issue. Accordingly, VIA must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
