Mr. Jonathan Miles
Open Records Attorney
Texas Health and Human Services Commission
P.O. Box 13247
Austin, Texas 78711

OR2017-23476

Dear Mr. Miles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685059 (HHSC Ref. No. 13407).

The Texas Health and Human Services Commission (the "commission") received a request for information pertaining to a named individual and specified business. The commission states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 531.1021 of the Government Code, which provides, in relevant part, the following:

(g) All information and materials subpoenaed or compiled by the [commission's Office of the Inspector General ("OIG")] in connection with an audit, inspection, or investigation or by the office of the attorney general in connection with a Medicaid fraud investigation are confidential and not subject to disclosure under [the Act], and not subject to disclosure, discovery, subpoena, or other means of legal compulsion for their release to anyone other than the [OIG] or the attorney general or their employees or agents involved in the audit, inspection, or investigation conducted by the [OIG] or the attorney general, except that this information may be disclosed to the state

auditor's office, law enforcement agencies, and other entities as permitted by other law.

(h) A person who receives information under Subsection (g) may disclose the information only in accordance with Subsection (g) and in a manner that is consistent with the authorized purpose for which the person first received the information.

Act of May 19, 2017, 85th Leg., R.S., ch. 277, § 2, 2017 Tex. Sess. Law Serv. 509, 510 (to be codified at Gov't Code § 531.1021(g)); Gov't Code § 531.1021(h). The commission states the submitted information was compiled by the OIG in connection with an investigation concerning alleged Medicaid and other health and human services fraud and abuse. Based on this representation, we conclude the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
