ATTORNEY GENERAL OF TEXAS

October 16, 2017

Mr. Justin Pruitt  
Assistant City Attorney  
City of Lubbock  
P. O. Box 2000  
Lubbock, Texas 79457

OR2017-23561

Dear Mr. Pruitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685941 (Lubbock File No. 1726).

The City of Lubbock (the "city") received a request for video recordings pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released).

Initially, we note the requestor only seeks video recordings. This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release such information in response to this request.

The submitted responsive information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code.

---

<sup>1</sup>Although you also raise section 552.101 of the Government Code for the submitted information, you provide no arguments explaining how this exception is applicable to the information at issue. Therefore, we assume you no longer assert this exception. *See* Gov't Code §§ 552.301, .302.

Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining responsive information pertains to a criminal investigation that concluded in a result other than conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the remaining responsive information. Thus, the city may withhold the remaining responsive information under section 552.108(a)(2) of the Government Code.

In summary, pursuant to section 1701.661 of the Occupations Code, the submitted body camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code and need not be released to this requestor in response to this request for information. The city may withhold the remaining responsive information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
