ATTORNEY GENERAL OF TEXAS

Ms. Lynn M. Winter
Assistant City Attorney
City of Fort Worth
200 Texas Street, Third Floor
Fort Worth, Texas 76102

OR2017-23567

Dear Ms. Winter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 686192 (PIR No. W065200).

The Fort Worth Police Department (the "department") received a request for information pertaining to specified types of charges against a named individual, including a specified report. The department states it released most of the requested information. You state the department will withhold certain information under sections 552.130(c) and 552.147(b) of the Government Code.¹ You contend some of the submitted information was not properly requested pursuant to chapter 1701 of the Occupations Code. Further, you claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without requesting a decision from this office under the Act. *Id.* § 552.147(b).

the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.152 of the Government Code provides:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov’t Code § 552.152. You inform us some of the remaining information identifies undercover police officers. You assert release of their identities would jeopardize their safety and subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identity of the undercover officers within the information at issue. Accordingly, the department must withhold the identifying information of the undercover officers it marked under section 552.152 of the Government Code.

In summary, pursuant to section 1701.661 of the Occupations Code, the submitted body camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code and need not be released to this requestor in response to this request for information. The department must withhold the identifying information of the undercover officers it marked under section 552.152 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
