The TEA states the submitted information consists of audit working papers prepared or maintained by the TEA's Student Assessment Division Security Task Force in conducting investigations of testing irregularities in the administration of statewide assessment instruments. The TEA states the audit at issue was authorized by section 39.057(a)(8) of the Education Code, which permits special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure. *See* Educ.
