Mr. Ryan D. Pittman  
Counsel for the City of Frisco

Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 680912 (ORR G019288-080217).

The City of Frisco (the "city") received a request for blueprints for a specified property. Although the city takes no position as to whether the submitted information is excepted under the Act, the city informs us release of this information may implicate the proprietary interests of Toll Bros., Inc. ("Toll Bros"). Accordingly, the city states, and provides documentation showing, it notified Toll Bros of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Toll Bros. We have considered the submitted arguments and reviewed the submitted information.

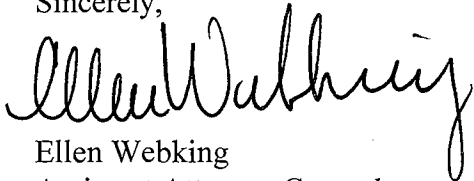

Section 552.110(b) of the Government Code protects "[c]ommercial or financial information for which it is demonstrated based on specific factual evidence that disclosure would cause substantial competitive harm to the person from whom the information was obtained[.]" Gov't Code § 552.110(b). This exception to disclosure requires a specific factual or evidentiary showing, not conclusory or generalized allegations, that substantial competitive injury would likely result from release of the information at issue. *Id.*; *see also* Open

Records Decision No. 661 at 5-6 (1999) (business enterprise must show by specific factual evidence that release of information would cause it substantial competitive harm). Upon review, we find Toll Bros has demonstrated release of the information at issue would cause the company substantial competitive harm. Accordingly, the city must withhold the submitted information under section 552.110(b) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
