Dear Ms. Jones:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 680525.

The Texas Board of Veterinary Medical Examiners (the "board") received a request for information pertaining to a named individual.¹ You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, such as former section 801.207 of the Occupations Code. Section 801.207(b) provides, "[a]n investigation record of the board, including a record relating to a complaint

¹You state the board sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

that is found to be groundless, is confidential.” Act of May 17, 1999, 76th Leg., R.S., ch. 388, § 1, 1999 Tex. Gen. Laws 1431, 2112 (amended 2017) (current version at Occ. Code § 801.207(b)). We note the information at issue was created prior to September 1, 2017. Although section 801.207(b) of the Occupations Code was amended in 2017 by the 85th Legislature, investigation records created prior to September 1, 2017, are subject to the former version of section 801.207, which was continued in effect for that purpose. *See* Act of May 29, 2017, 85th Leg., R.S., ch. 536, § 27, Tex. Sess. Law. Serv. 1501, 1508 (Vernon). You state under the board’s procedures, an investigation file is opened upon receipt of a complaint, and any matters related to that complaint and subsequent investigation become part of the investigation record. You inform us the information at issue relates to complaints filed with the board and this information is contained within investigation files. Therefore, based on your representations and our review, we conclude the submitted information is confidential under former section 801.207(b), and the board must withhold it under section 552.101 of the Government Code on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
