ATTORNEY GENERAL OF TEXAS

October 24, 2017

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2017-24210

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685719 (COSA# W175487).

The City of San Antonio (the "city") received a request for information pertaining to police reports for dog- and cat-related calls since June of 2017. The city states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this

---

<sup>1</sup>The city acknowledges, and we agree, it did not comply with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301(b), (e). Nevertheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301, we will consider the claim of the city under that section.

code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The city asserts the requested information was used or developed in investigations by the city's police department (the "department") under chapter 261. *See id.* §§ 101.003(a) (defining "child" for purposes of section 261.201), 261.001(1) (defining "abuse" for purposes of section 261.201). Upon review, we find the information is within the scope of section 261.201 of the Family Code. The city does not indicate the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such rule exists. Given that assumption, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
