

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 26, 2017

Ms. Diane Morris
Deputy General Counsel
Office of the Governor
P.O. Box 12428
Austin, Texas 78711

OR2017-24460

Dear Ms. Morris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 681865 (OOG ID# 17-273).

The Office of the Governor (the "governor's office") received a request for all correspondence related to a specified topic during a specified time period.¹ You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City*

¹We note you sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

of San Antonio, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, we determined section 552.111 exempts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152, 157 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But, if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, section 552.111 protects the factual information. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded section 552.111 exempts from disclosure a preliminary draft of a document intended for public release in its final form because the draft necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents of a preliminary draft of a policymaking document, including comments, underlining, deletions, and proofreading marks, that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third party, including a consultant or other party, with which the governmental body establishes it has a privity of interest or common deliberative process. *See* Open Records Decision No. 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body.

You state the submitted information consists of advice, opinions, and recommendations relating to policymaking. You also state the information at issue contains draft documents that will be released to the public in final form. Further, you inform us the communications at issue involve the Texas Military Forces, with which the governor's office shares a privity

of interest regarding the policies at issue. Upon review, we find the governor's office may withhold some of the information at issue, which we have marked, under section 552.111. However, we find the remaining information consists of either general administrative information that does not relate to policymaking or information that is purely factual in nature. Thus, we find you have failed to demonstrate the remaining information is excepted under section 552.111. Accordingly, the governor's office may not withhold the remaining information under section 552.111 of the Government Code. As you raise no further exceptions to disclosure, the governor's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
