

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 30, 2017

Mr. Matthew Cherry
Attorney
Texas Alcoholic Beverage Commission
P.O. Box 13127
Austin, Texas 78711

OR2017-24734

Dear Mr. Cherry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 682862 (TABC PIR# 1503689017).

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a specified criminal matter.¹ You claim the requested information is excepted from disclosure under sections 552.101, 552.103, 552.107, 552.108, and 552.111 of the Government Code. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released). We have considered the submitted arguments.

We must address the obligations of the commission under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or

¹As you have not submitted a copy of the written request for information, we take our description from your brief.

sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). You state the commission received the request for information on August 11, 2017. As of the date of this letter, you have not submitted to this office written comments stating why the stated exceptions apply, a copy of the written request for information, or a copy or representative sample of the information requested. Accordingly, we conclude the commission failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.). Although you raise exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
