OR2017-25125

Dear Mr. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 683147.

The McAllen Police Department (the "department") received a request for multiple categories of information pertaining to a specified case number. The department states it has released the CR-3 crash report to the requestor pursuant to section 550.065(c) of the Transportation Code. *See* Trans. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recordings contain information subject to section 552.130. The department states it does not have the technological capability to redact the motor vehicle record information from the recordings at issue. Accordingly, the department must withhold the submitted video

recordings in their entireties under section 552.130 of the Government Code.<sup>1</sup> *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
